St Andrew's School

October 2011

Year 2 enjoyed their trip to Windsor Castle. We have since seen many re-enactments of their learning during Early Morning Club and playtime.

Reception to Year 2 children enjoy the new climbing frame on a rota basis during playtimes whilst Nursery have the freedom to enjoy it for the rest of the day.

We have welcomed Miss Sophie Hall into Nursery this week as our new Assistant.

We are developing an Outdoor Classroom for Year 1. With the purchase of new role play equipment for both Reception and Year 1 we are recycling Reception's old "house" and you will see other new items appearing in the weeks ahead. The children are loving this new opportunity to extend their learning.

All ideas are welcome!

Reception's Outdoor Classroom continues to be a huge success with the children. Whilst we appreciate that it is tempting to take a short cut to Nursery please may we remind you not to go through this area. We have found the gates unbolted on several occasions recently.
