

## GERMAN TOPICS OF STUDY

Year			
Y5	Greetings; German-speaking countries; saying where you live; classroom; numbers; dates; family; friends; giving opinions; pets; colours; describing people; my town/village; clothes. Throughout the 3 <sup>rd</sup> Form, material will be revised as and when necessary, and particular emphasis is laid on grammar and pronunciation.		
Y6	Revision of 3 <sup>rd</sup> Form material; free time activities; responding to questions; hobbies; saying what you have done or are going to do; saying what you like doing; housework; school routine and subjects; time; giving opinions; food, drink and meals; saying where you have been; travel and transport; directions; money; festivals; invitations; writing letters; visits and holidays; comparisons; introduction to past and future tenses.		
Y7	Revision of 4 <sup>th</sup> Form material; free time; likes and dislikes; preferences; past tense; saying what you did last weekend; clothes and school uniform; opinions and reactions; making arrangements to meet; shopping; eating out; excuses; can/can't; must/must not; saying where you went; describing a town/village; travel and transport; describing a journey; future tense; the environment.		
Y8	Grammatical confidence and oral fluency continue to be promoted. Previously learnt topic material and structures are revised, and a few remaining topics (such as health and illness, jobs/careers and holiday accommodation, activities and facilities) are introduced. Exam techniques are taught and, as in other subjects, there is a gradual increase in the use of past papers in preparation for the practice, mock and summer examinations. The importance of vocabulary revision is stressed. Pupils regularly practise for the role-play section and discussion topics of the speaking test.
